

THE MERRY MIDWIVES OF NUNEATON

The Merry Midwives have been entertaining the people of Nuneaton and Bedworth for 32 years. During that time we have raised in excess of £90,000 for local charities. We started as a group of local midwives to raise funds for the Nuneaton Maternity hospital. We now consist of retired and practising midwives and nurses. We found we enjoyed entertaining so much that we are still performing many years on.

In the past decade we have been fund raising for the Mary Ann Evans hospice. Each year we perform to packed audiences for 3 nights at the Nuneaton Arts Centre. The dates for the 2017 performances are Thurs 5th Friday 6th and Saturday 7th October.

If you enjoy good, clean fun, enthusiastic performers, colourful costumes and lots of laughs, then maybe our show is for you? Our concerts are quite different from others you might see. We may take you into the realms of childbirth or medicine, we may perform as dancing penguins or frogs. One thing is certain: we are not easy to forget!

We hope you enjoy our performance.
